Hold the Jackpot

Popular bonus round with new Bonus symbols

The Hold the Jackpot bonus is triggered by 6 Bonus symbols. Once players venture into the blazing depths of the underworld, they have to collect five types of Bonus symbols. Extremely hot Fire symbols award prizes ranging from 1x to 10x, 12x, and 15x player's bet. Sizzling Blue Fire symbols further increase the heat by accumulating all values from Fire and Blue Fire symbols. Jackpot symbols make the hellish flames flicker and award corresponding Mini, Minor, and Major Jackpots. Mystery symbols bring even more excitement while transforming into Fire, Blue Fire, or Jackpot symbols. Finally, there are new powerful Hades Mystery symbols that guarantee a Jackpot win, as they can only transform into Mini, Minor, and Major Jackpot symbols. Filling up all 15 reels with Bonus awards the Grand Jackpot of 3000x player's bet, but players also keep other wins from the Bonus symbols, as all prizes are summed up at the end of the bonus round for an impressive total win.
