Witchin Winnin is a magical 4x5 game with 50 paylines and a little hocus-pocus. Land a Wild in the main game on row 2 or 3 and you could find yourself with a cauldron full of Witchin Wild Respins, where Wilds expand to create Wild Reels.

Trigger the Free Games feature and the Wilds will expand before turning sticky until the feature ends. For an additional cost, the Buy In feature will make the Free Games feature also appear before your very eyes. Now cackle like an old crone.
