GAME OVERVIEW: BIG BASS BONANZA MEGAWAYS™

Tumbling

After a win, the symbols that have been part of the win will disappear and the symbols above will fall down and take their place. The game will then play this new matrix of symbols as a new game with no cost to the player. This process may be repeated until there is no win.

[SCATTER] symbols do not tumble.

[FISH] symbols tumble normally in the base game, but don't tumble in the free game

Top bonus reel will cascade from right to left.

Free Game

3 or more [SC] trigger the Free Games. 3 in view awards 10 freespins, with every additional scatter giving extra 5 spins.

Fish symbols don't tumble, all the non fish symbols (including wilds) that have been part of the win will tumble. Fish paylines pay after all the cascading.

Fisherman collects the money values from fish after all the cascading.

On every spin after all the cascading, we collect the number of landed fishermen.

Every 4th collected fisherman triggers the next stage and add +10 free spins when other freespins at the current stage have been exhausted.

GAME OVERVIEW: BIG BASS BONANZA MEGAWAYS™

Free Game has 4 stages:

stage 1 – all wins (ways and fish awards) multiplier is x1

stage 2 – all wins multiplier is x2

stage 3 – all wins multiplier is x3

stage 4 – all wins multiplier is x10.

The player can only move 1 stage at a time if the right number of fishermen have been collected.

The maximum number of collected fishermen – 12. More fishermen won't affect the game flow or add additional free spins.

Dynamite feature: additional feature only during freespins, is that a spin can present one or two fishermen with no fish cash symbols in view. The fishermen / fisherman will throw a dynamite, and some fruit symbols will explode to be replaced by fish with cash values. The cash fish is then collected in the normal way.

Bazooka feature:

When one or two fishermen are in view with no fish, the fishermen / fisherman will produce a bazooka, fire it and all other none fisherman symbols will explode, so that new symbols (including fish / maybe more fishermen) will cascade in to replace all the symbols that have now been removed.

Win limit

Game has max win limit for one round – 4000 x TB.

Ways to win

This symbol is WILD and substitutes for all symbols except for SCATTER and FISHERMAN symbol. WILD symbol appears only on reels 2, 3, 4 and 5, on the top row.

Wins awarded for left to right adjacent symbol combinations of any size.

Reels 1 and 6 can have up to 6 symbols. Reels 2, 3, 4 and 5 can have up to 5 symbols, along with another symbol on the top row. The top row of reels 2 to 5 spins independently from left to right. In total the maximum number of possible ways to win is 46656.

TUMBLE FEATURE

The **TUMBLE FEATURE** means that after every spin, winning combinations are paid and all winning symbols disappear. The remaining symbols fall to the bottom of the screen and the empty positions are replaced with new symbols coming from above. New symbols are of the same size as the initial spin result, before tumbles.

Tumbling will continue until no more winning combinations appear as a result of a tumble.

All wins are added to the player's balance after all the tumbles resulted from a base spin have been played.

MONEY SYMBOL

This is the **MONEY** symbol.

At every spin the **MONEY** symbol, takes a random money value.

The fish paying symbols are also **MONEY** symbols. At every spin, the fish take a random money value which can be won during the **FREE SPINS** feature.

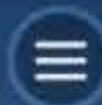

In the base game, the fish symbols explode and tumble normally. In the free spins, they do not explode and just fall to the bottom of the screen as tumbles happen.

MAX WIN

The maximum win amount is limited to 4,000x bet. If the total win of a **FREE SPINS ROUND** reaches 4,000x the round immediately ends, win is awarded and all remaining free spins are forfeited

FREE SPINS

Hit 3 or more SCATTER symbols to trigger the FREE SPINS feature.

5x SCATTER awards 20 free spins

4x SCATTER awards 15 free spins

3x SCATTER awards 10 free spins

This is the SCATTER symbol. It appears on all reels. Hit 3 or more SCATTER symbols anywhere on the reels to trigger the FREE SPINS ROUND.

This is the FISHERMAN symbol. It appears on all reels only during the free spins round.

During the FREE SPINS feature each FISHERMAN symbol collects all the values from MONEY symbols on the screen.

All the FISHERMAN symbols that hit during the feature are collected until the end of the round.

Every 4th FISHERMAN symbol collected will retrigger the feature, award 10 more free spins and a multiplier for MONEY symbol collection and all wins is increased to 2x for the first retrigger, 3x for the second retrigger and 10x for the third retrigger.

The retriggered spins are played after the previous batch of free spins ends.

The multiplier applies to the retriggered spins.

After the third retrigger, the feature cannot be retriggered anymore.

Randomly, when there are only 1 or 2 FISHERMAN symbols on the screen with no fish, at the end of a free spin, a dynamite animation can make fish MONEY symbols appear in random positions.

Also randomly, when there are only 1 or 2 FISHERMAN symbols on the screen with no fish, at the end of a free spin, a bazooka animation can appear and change all the symbols from the screen except for FISHERMAN.

Special reels are in play during the feature.

GAME RULES

VOLATILITY 

High volatility games pay out less often on average but the chance to hit big wins in a short time span is higher.

Only the highest win is paid per winning combination on the same pay way.
When winning on multiple pay ways, all wins are added to the total win.

Free spins and bonus wins are added to the pay way.
All wins are multiplied by base bet.
All values are expressed as actual wins in coins.

Free spins win is awarded to the player after the round completes.
Free spins total win in the history contains the whole win of the cycle.

SPACE and ENTER buttons on the keyboard can be used to start and stop the spin.

The theoretical RTP of this game is 96.70%

MINIMUM BET: \$0.20
MAXIMUM BET: \$100.00

Malfunction voids all pays and plays.
