Intro

HUGO CARTS is a 5-reel video slot machine with 1024 ways to win by default, but symbol MULTIPLIERS may dynamically raise the number of ways!

HUGOLINA lands on reel 2, HUGO on reel 3, and SCYLLA on reel 4 during the base game. Any single character or character combination triggers a RE-SPIN. HUGOLINA adds 2 to 5 symbol MULTIPLIERS with up to x10, HUGO drops 2 to 5 golden nugget WILDS, and SCYLLA casts 5 to 9 MYSTERY symbols. The feature cannot be retrIGGERED.

3, 4, or 5 dynamite SCATTER symbols award 7, 9, or 11 FREE SPINS respectively. DON CROCO may enter randomly on any base game spin to throw 2 dynamite SCATTERS onto the reels!

A character is randomized at the start of FREE SPINS to play out the appropriate feature on every FREE SPIN. Retrigger by landing 3 or more SCATTERS; another character is randomly selected, until all 3 have been obtained, then no further retriggers are available.
