Virtual Football League - England[©]

Release date: 14 March 2024

Game ID: 5082

GAME DESCRIPTION

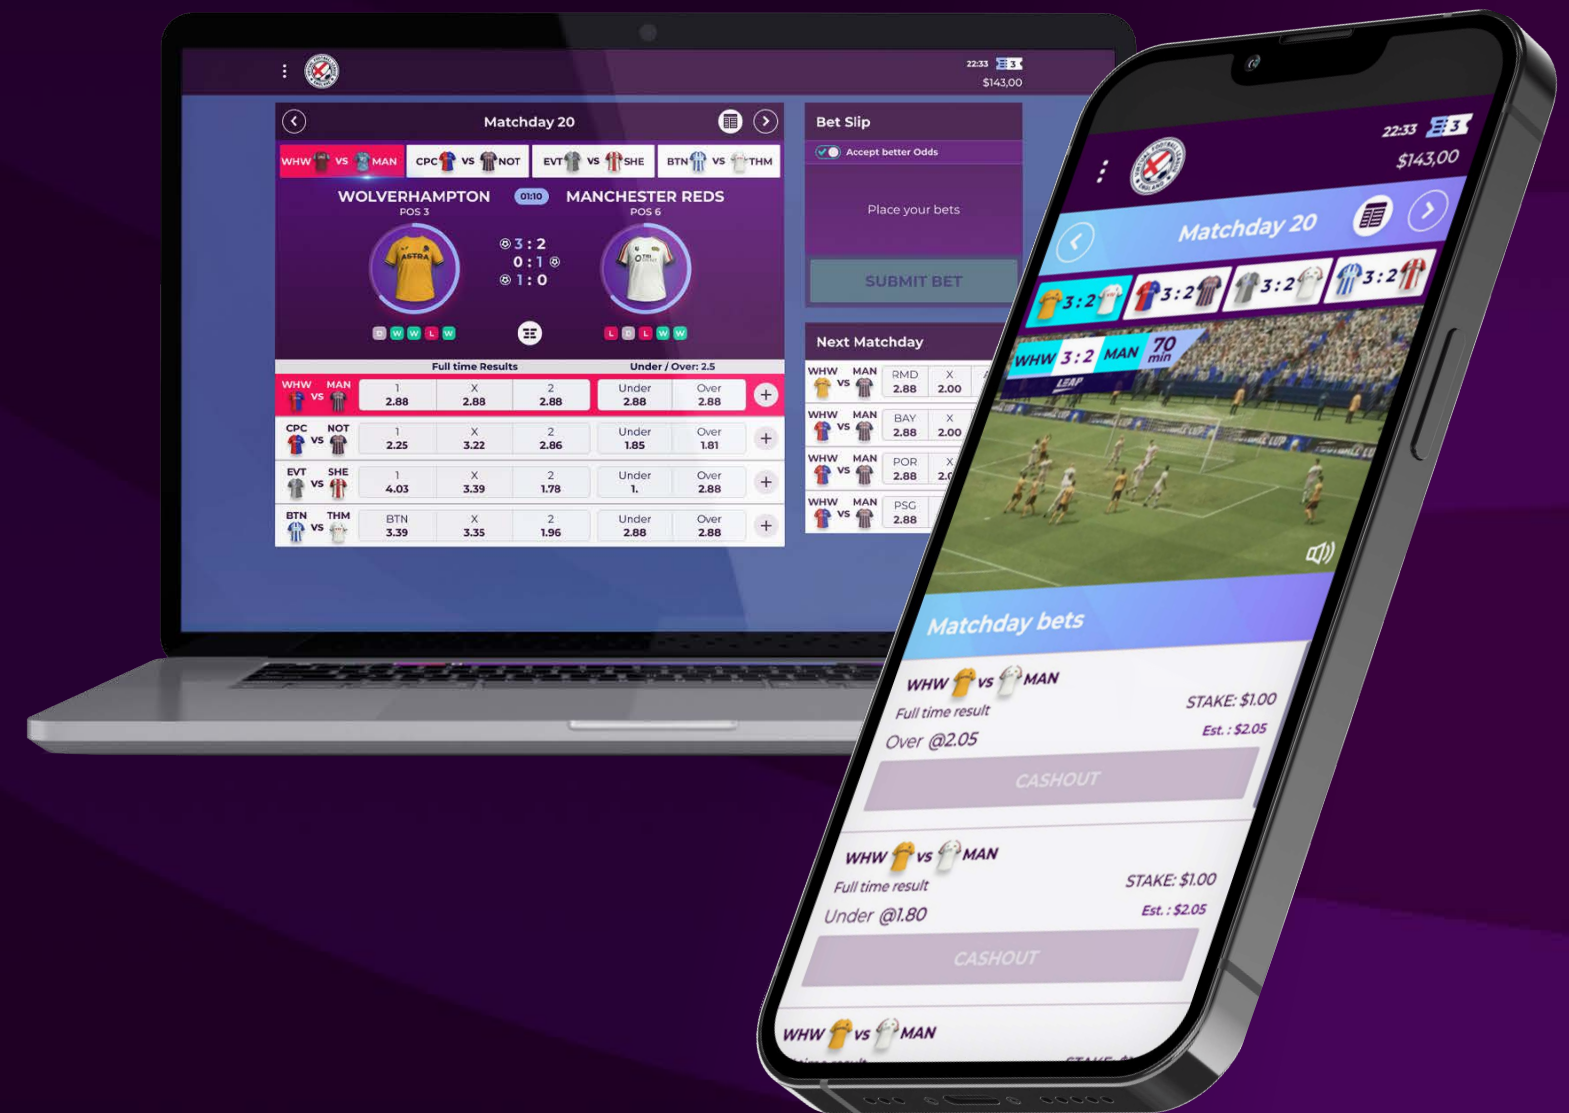

Virtual Football League England is a game that allows betting on virtual football matches. The game runs a Virtual Football League with 20 teams in one league group containing all teams, where every team will meet twice during the league (38 games in total) in 2 rounds of Home and Away.

GAME FEATURES

- Everyone with a mobile and internet availability will be able to access and place bets
- Events in this game are not streamed and players can see the matchday scores updates through a scoreboard, which allows fast pace betting and low internet connectivity requirements
- This game is built for simplicity and fast betting, an exciting virtual soccer alternative
- The game is based on a league format with 20 teams, and all the games of a given matchday are played together
- Allows various multiple bet options
