Revealing a cash value awards the value. Revealing a multiplier multiplies the current Total Win amount. Revealing an X ends the bonus feature.

Nice Dice

The player rolls a pair of dice, and the resulting combined value is multiplied by the bet. The individual numbers on the dice are added to a panel showing the number 1-6. The player continues to roll the dice, accumulating wins until all of the numbers 1-6 have been rolled.

Free Spins

During Free Spins, there are 5 prize pots which can be won from the Bonus wheel. Landing the SPIN symbol in view on the centre reel spins the bonus wheel. After each bonus wheel spin, the prize pot values are increased (until Mega Pot reaches 1000x stake). Extra Free Spins can also be won from the bonus wheel.
