Base Cost

When configuring a game, the licensee can configure the **Base Cost Multipliers**, which multiplies the Base Cost (minimum size bet) set by Playtech. This means that while the number of ways in this game is 15,625, the Base Cost to play is set to 10 by Playtech.

This is an innovative feature that allows Playtech to offer games that are more amenable to cheap Free Spins Bonus promotions, while still allowing Playtech games to deliver the full range of features, winlines and ways.

For example, on this game the Free Spins Bonus can be promoted at a cost of 10p (Base Cost Multiplier 1), while still being able have the game available at a default cost of 20p (Base Cost multiplier 2) or even 40p (Base Cost multiplier 4).

There are no fractional betting and rounding concerns.

Examples are in the table below:

Base Cost Multiplier	Stake (GBP Example)
1	10p
2	20p
3	30p
4	40p
5	50p

Symbol Details

WILD

The diamond symbol is the **WILD** symbol in the game.

The **WILD** symbol appears on reels 2 to 6 during the main game and **Free Games**.

The **WILD** symbol can substitute for all symbols except **BONUS** symbols.

BONUS

The horseshoe with the word **BONUS** over it is the **BONUS** symbol in the game.

The **BONUS** symbol appears on all reels during the main game and free games.

3 or more **BONUS** symbols anywhere on the reels trigger the **Free Games + Mega Spin** feature.

Game Features

Power Zones™

On any main game or free games spin, any symbol, except **WILD** or **BONUS** symbols, can appear as charged symbols.

Charged symbols appear visually distinct with a blue circle appearing around them. Charged symbols lock **Power Zones™** on the symbol position they land on.

Power Zones™ connect with each other horizontally and vertically. Landing a charged symbol horizontally or vertically next to a **Power Zone™** will expand the **Power Zone™**.

When a charged symbol lands in a **Power Zone™**, all symbols in that zone transform into the same symbol type as the charged symbol.

Power Zones™ are removed after the symbols have transformed.

Free Games + Mega Spin

3 or more **BONUS** symbols trigger the **Free Games + Mega Spin** feature:

- 3 **BONUS** symbols trigger 12 free games
- 4 **BONUS** symbols trigger 18 free games
- 5 **BONUS** symbols trigger 25 free games
- 6 **BONUS** symbols trigger 50 free games

When **Free Games** begin, triggering **BONUS** symbols create **Power Zone™** on their symbol positions.

Power Zones™ are not removed during **Free Games**.

When the number of free games left reaches 0, the **Mega Spin** is triggered.

During the **Mega Spin**, symbols in all **Power Zones™** transform into the same mystery symbol.

2 **BONUS** symbols trigger 3 **Free Games** (retrigger only).

Buy Feature (Optional)

Buy Feature is an optional way to manually trigger the **Free Games + Mega Spin** feature.

Each fixed option offers a different number of free games and costs a different amount.

Selecting **GAMBLE** offers an equal chance at triggering 1 of the 4 fixed options.

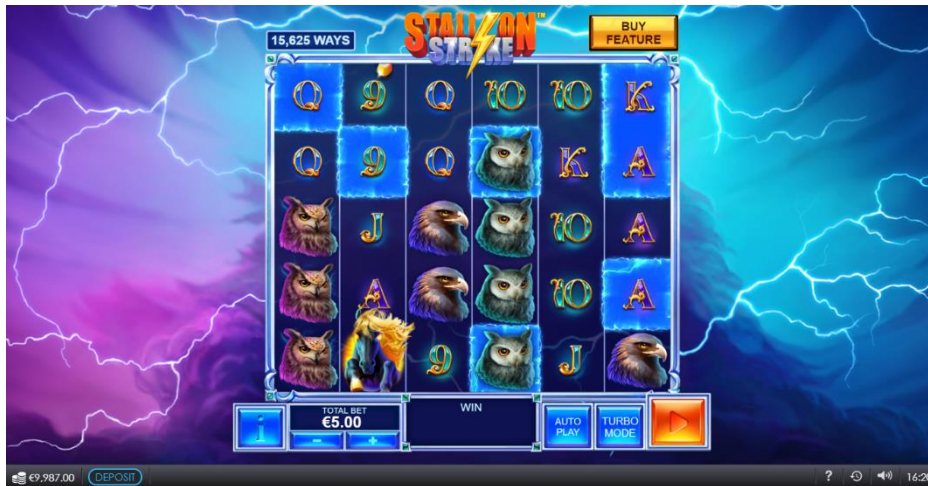

The feature price is displayed in the **Buy Feature** menu.

Press the **Buy Feature** button in the main game to open the Buy Feature menu.
