Each instance of a coin symbol awards the cash prize, a number of free games, or a Cash Collect prize accordingly when collected.

When initiating a new spin, all the coin symbols will reset.

Free Games Feature

During the main game, when a **Cash Collect™** symbol lands on reel 5 and 1 or more **Free Games** coin symbol lands anywhere on the reels, the **Free Games** feature is triggered.

Each **Free Games** coin symbol that lands awards the number of free games shown on it. If 2 or more **Free Games** coin symbols land on the reels, the total number of free games won is equal to the sum of all numbers on each **Free Games** coin symbol.

During **Free Games**, the **Cash Collect™** symbol can appear on all reels and locks on the reels for random number of spins, up to 10 spins, whenever it lands.

Note: Each **Cash Collect™** symbol has its own counter of spins on the top-right corner of the symbol.

Note: New **Cash Collect™** symbols cannot land on the same position as an existing **Cash Collect™** symbol.

During free games, each **Cash Collect™** symbol collects all **Cash Prize**, **Diamond** and/or **Free Games** symbols that land, awarding the respective prize once for each **Cash Collect™** symbol present on the reels.

Number of **Free Games** during the feature can be increased by simultaneously landing a **Cash Collect™** and a **Free Games** coin symbol anywhere on the reels.
