## ABOUT WIZARD'S CRITTERS

The Wizard's Critters are unlike any other, as they are about to make your day! Upgrade symbols values just by playing, and see them convert into double, triple and quadruple symbols!

Example of Desktop Base Game

Wizard's Critters brings another Spin-crease title where symbols can be permanently added as double, triple and quadruple symbols in one! Look for the Wilds in high paying symbols win lines (Critters), as they count as quadruple symbols!

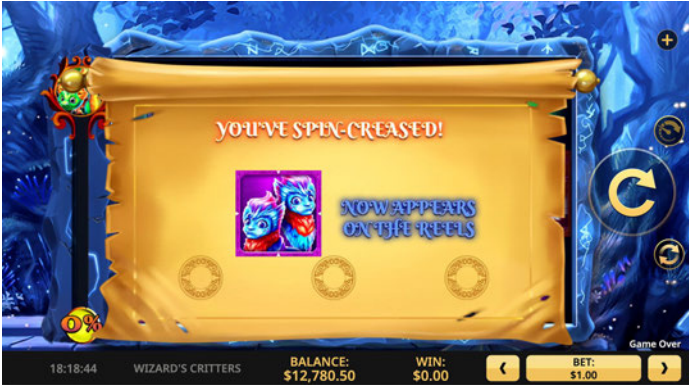

Featuring classic tumbling reels mechanic where winning combinations disappear, and symbols tumble down to accommodate new ones falling in. Play 11 or 12 free games when landing 3 scatters, and let the Critters do their best for you!

A cartoony and friendly title, featuring excellent visuals and animations in an easy to play game that allow users to keep their upgraded symbols over time.

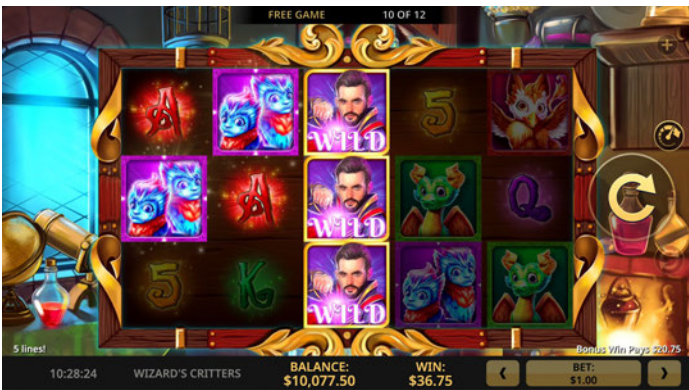

## FEATURES

### Spin-crease: Increasing symbol values

Fill the meter by playing - the higher the bet, the quicker it progresses. Once filled, the corresponding symbol is added: double, triple or quadruple that count as 2, 3 or 4 symbols in one. User progress is saved.

### Free games

Play 11 or 12 free games after landing 3 scatters.
