

MONSTERS VS GIGABLOX™

LARGER THAN LIFE!

Hot Rise Games is back with a new massive release, Monsters Vs Gigablox™!

Ancient prophecies have foretold of a battle between colossal beings that will decide the fate of the world! As you walk through the crumbling city, you look up and witness huge monsters fighting for supremacy. Take control of these giant ferocious beings and have them fight on your behalf! Bring the city to its knees, and be crowned king!

Monsters Vs Gigablox™ combines the game play of Yggdrasil's Gigablox™ with a theme which has epic characters do battle. From futuristic sci-fi robots to ancient Eldritch abominations, this is a no holds barred battle royale for the planet!

Not only are the monsters larger than life, but so are the rest of the symbols. Monster symbols and Royals have a chance to become Gigablox™ This also includes the Wild and Scatter!

Earn up to 40 free spins when 5 or more scatters appear on the reels! During the free spins, one of the six giant monsters becomes your Chosen Champion, turning into a Wild and taking over the battle!

Hot Rise Games is proud to present Monsters Vs Gigablox™...this battle will be earth shattering!

GIGABLOX™

- Gigablox symbols are block symbols that can fall in 2x2, 3x3, 4x4, 5x5 and 6x6
- Once the symbols land they break into individual symbols during the pay cycle leading to large coinciding wins.
- During the base game, Gigablox can land as any symbol in the game - royals, picture symbols, wild and scatter.
- During the Free Spins, Gigablox will only land as picture symbols.

FREE SPINS

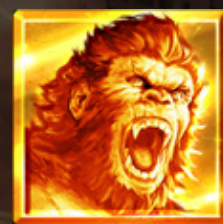

Free Spins are triggered when 5 or more Scatter symbols appear, including Gigablox.

During Free Spins Gigablox are larger on average and only change to Monster symbols (including Chosen Champion).

9 to 40
FREE SPINS!

Are awarded (4 base + 1 for each triggering scatter symbol)

The Monster symbol that was most dominant (i.e. highest count) during feature trigger becomes the Chosen Champion.

During the Free Spins the Chosen Champion is Wild and shows as a golden symbol.

Any wins including only dominant monster and/or Wild are paid 2x.
