Stumpy McDoodles returns! Stumpy, along with his lovable wife Penny, are back for yet another magical adventure. After drinking his fill of whiskey in his giant ale-barrel house, Stumpy is ready to stagger back into action.

After his latest wild party, Stumpy was horrified to find his pot of gold was suddenly empty. In search of new riches, Stumpy and Penny set out over the hills, searching high and low for coins and golden nuggets, and they were richly rewarded for their endeavours.

After a long day of hunting gold, the couple marched back toward their home, their little leprechaun arms weighed down with heaving iron pots, golden coins threatening to spill out over the edges. To celebrate their successful treasure hunt, the McDoodles had no choice but to host another of their famously fun parties.

To join them, all you have to do is follow the rainbow and listen carefully for the cheery music emanating from Stumpy’s tiny accordion and the tapping of Penny’s dancing shoes. A Stumpy McDoodles party is a once in a life time event, you simply don’t want to miss!

Together, Stumpy and Penny have been waiting to lead players in a procession to locate magical prizes and find the fabled pots of gold that dot the landscape.
