RED SKY AT NIGHT, PLAYERS' DELIGHT!

Reap what you sow in this 5x5 cascading slot game and learn to adapt to the winds of change as the weather sets the pace of your harvest. Wilds and vegetables are abundant on Relax's farm. Landing a Weather symbol sprouts Wilds across the reels, transforming existing ones into persistent symbols and adding a Multiplier to all winnings.

When night falls and the Free Spins round is activated, 6 spins are awarded. An additional Bonus symbol brings an extra free spin, while a Weather symbol retriggers the effects of every previously landed Weather symbol. Up to 3 Weather symbols can land in a single avalanche, taking win potential to new levels. Wild Yield also offers a Buy Feature and the possibility to pick up the pace and buy extra free spins once you run out of them. Working the field is no easy task but could bring up to 50,000x your bet, so roll up your sleeves and prepare to get your hands dirty, harvesting season is here.
