## Boat Bonanza

---

### WHAT'S THE STORY?

The tide is high, but we're holding on... to the side of the boat!

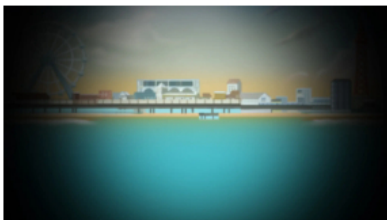

Cast your net as we head into the choppy waters, drop your anchor as you find the perfect spot to fish yourself a fortune.

Let's set sail!

### IN-GAME ARTWORK

With a towering skyline and ice-blue water, the game's artwork complements the theme beautifully.

This simple approach to the artwork is a homage of classic fishing titles with bright colours that are a delight to watch as the player casts their nets in the hope of fishing a fortune.

### FEATURES

Boat Bonanza is a classic online slot kitted out with exciting features that steer things into uncharted waters. If a player achieves three Scatters, Free Spins are introduced – ramping up the fishing action.

During the Free Spins, Collector Boats are randomly highlighted above where Instant Prizes lie in wait – they'll be reeled to the surface for players to seize. If two boats land on the same reel when highlighted, this will trigger the Mega Catch feature where the net is cast across the entire grid to reel in every prize in that round..

In Mega Catch, all Instant Prizes on the reels are collected and added to the player's pot. If the player happens to catch themselves a Golden Lobster, they can multiply their total bet by x1000!
