Commercial Data Sheet

Fast-paced action meets smokin' hot multipliers

Let's turn up the heat and put the pedal to the metal! This turbo-charged twist on the classic game of roulette gives your players the excitement of fast gameplay while melting random multipliers into the mix for thrilling, high-volatility action. Up to five bonus numbers appear in each round, blazing the way toward wins of up to 500x!

The background features a close-up of a roulette wheel with numbers 21, 2, 25, 17, 34, and 6 visible. A roulette ball is in motion. In the foreground, three multiplier cards are displayed. The first card shows the number 35 with a multiplier of x250. The second card shows the number 27 with a multiplier of x100 and is surrounded by flames, with a small circle containing the number 20 above it. The third card shows the number 11 with a multiplier of x50.

FEATURE

Multipliers

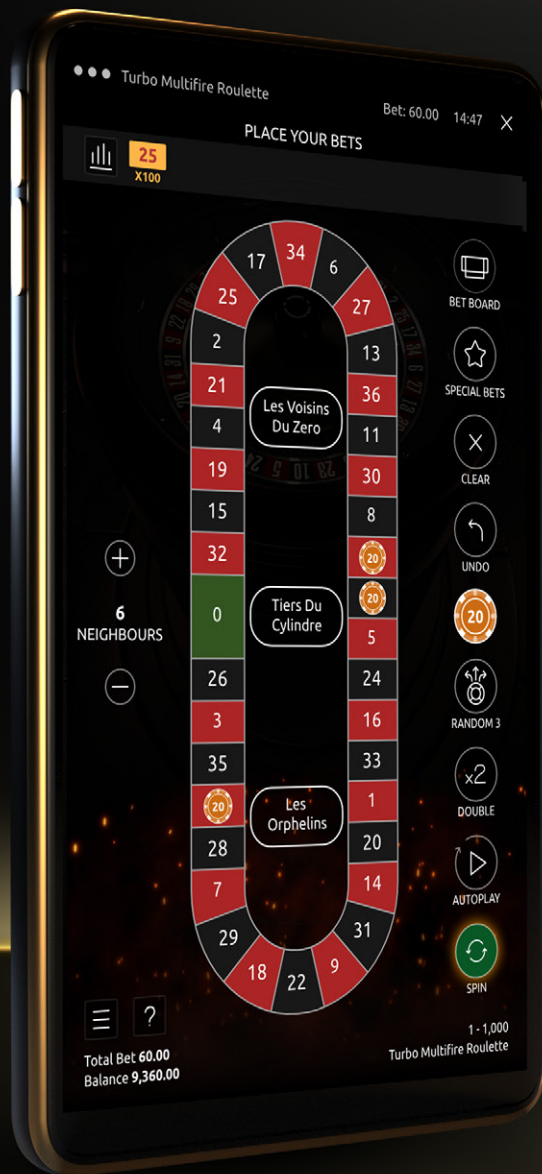

From 1 to 5 randomly generated bonus numbers, marked with multipliers of 50x to 500x, appear during each round. These bonus numbers will alter the payouts on straight-up bets accordingly.

FEATURE

Random 3

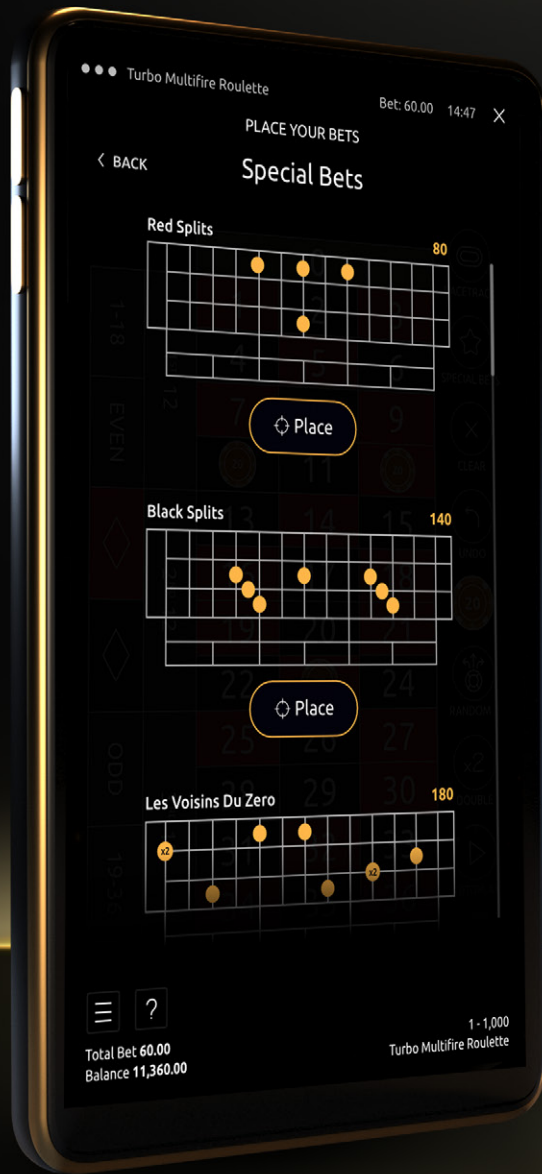

Accessed through a button on the betting interface, this feature randomly places three chips on the bet board as straight-up bets.

FEATURE

Racetrack Bets

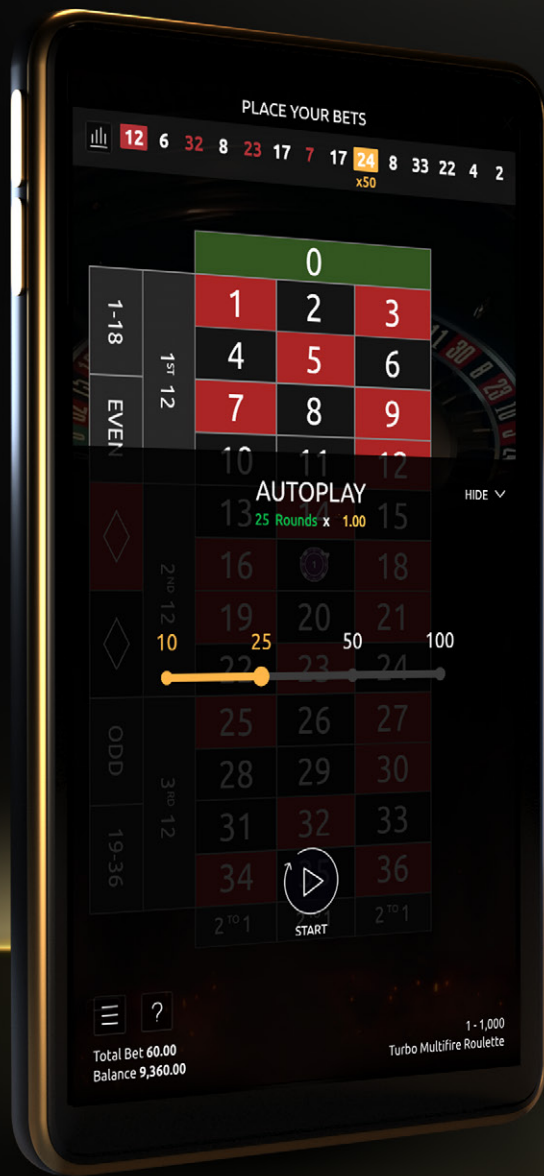

The game features a Racetrack board in addition to its standard bet board. This enables the so-called French bets: Voisins du Zero, Tiers du Cylindre and Orphelins.

FEATURE

Special Bets

Players can choose from 9 popular preset bet configurations including Red/Black Splits, Orphelins, Snake, 007 and more.

FEATURE

Autoplay

Activated via the betting interface, Autoplay allows players to initiate automatic rebets, up to 100 rounds.
