About Red Tiger Jackpots

Like all Red Tiger slots, Tricks and Treats may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.74% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.74%. The RTP of the jackpot contribution itself is 100%.

SYMBOLS

All symbols are spooky yet fun Halloween-themed. They are dark and murky but colourful and fantastic! No need for sugarcoating; the low-paying symbols are the highest-scoring playing card values sporting cute tiny witch hats. Tricks and Treats summons a candle burning with anger, a three-eyed spider atop a cupcake, a glowing ghost holding a lantern and a black cat flying a broom before the full moon for the high-paying symbols.

A luminous castle with flying bats depicts the Halloween Spins Scatter to help you anticipate the thrills in the Free Spins round. A grinning pumpkin head Jack-o-Lantern takes the role of the Trick Scatter, shapeshifting into a Wild. At the same time, two spooky lollipops serve as the Treat Scatter, which means a real treat for you: Instant Cash.
