GOLD'S GUARDIAN

BURSTING WILD

When dragon symbols land, they add a locked frame to their position, and if they land in an existing frame, they transform into a Wild. Then, all adjacent Locked Frames transform into Wilds for even bigger payouts.

FREE SPIN

When 3, 4 or 5 Scatter symbols land anywhere on the reels, it awards 8, 12 or 20 Free Spins respectively. Plus, during the Free Spins feature, between 2 to 5 Locked Frames can randomly appear on the reels, and they remain in their positions until they transform into Wilds.

SUPER FREE SPINS

Every 5th time the Free Spins feature is triggered, it activates the Super Free Spins and awards 12, 15 or 25 Super Free Spins respectively. With each Super Free Spin, a wheel behind the reels spins and awards from 2 to 5 extra Golden Locked Frames that remain in their positions until they transform into Wilds. To take things to the next level, an additional, 4, 6, 8 or 10 Special Locked Frames will appear in a pattern to boost the winnings.
