

FRUIT STACK ONE

A colorful 1 reel slot game with exciting features

Fruit Stack One is a simple and fun, stateful game with one reel and awesome features. When a paying symbol lands in the middle of the reel, it gets collected.

Collect three equal paying symbols and it's a win. The first symbol to get collected fills up a "health bar" below the reel. Each win restores the health bar.

A Wild symbol landed in the middle of the reel boosts already collected paying symbols. If there are no paying symbols collected, a paying symbol is awarded at random.

Three collected Bell Scatters trigger 15 free spins with unlimited health. Any Bell Scatter landed in the middle of the reel during the bonus awards 5 additional spins.

Some gaps on the reel contain a Nudge symbol. When it lands in the middle of the reel, it makes the reel snap one position up or down.

HOW TO WIN

When a paying symbol lands in the middle of the reel, it gets collected. When three equal paying symbols get collected, it's a win. The first symbol to get collected, fills up the ♥♥♥ "health bar" below the reel. If a gap lands in the middle of the reel, a heart is lost. Losing all three hearts resets any collected symbols. Collect three equal symbols to restore the health bar.
