Far below the surface of the Earth, there is a prismatic fortune waiting to be found by an explorer both brave and bold. Welcome to Wild Drops, the latest video slot by Betsoft. An endless treasure trove of sparkling gemstones in the mystical mines await you!

This 5-reel, 16 fixed payline (8 rows which pay both ways) slot is a visual feast in the popular gem-matching genre. Appealing colours framed by the sweeping deep blues of the mine make every win pop. Winning gems match and disappear from the reels. Clear the entire board to multiply your wins!

Drill deep, and match 3 or more identical gems in a horizontal line for a win. Five of a kind on any row pays both ways! And as wins clear the board, players have a chance to uncover 5 hidden coins to earn 5 FREE SPINS. The FREE SPINS mode will take players even deeper into the mines, where the central reel is guaranteed to be fully WILD!
