

## AZTEC EMERALD

This 5x4 video slot game played with 50-paylines is packed with Stacked symbols, Wild substitutions, a cycle-feature and Bonuspins. Hailed as a divine stone of the gods, the emeralds were treasured by ancient Aztecs and in this game it richly rewards.

3, 4 or 5 Bonus symbols on any position in the main game wins you BONUSPINS. During the BONUSPINS more spins can be retriggered! When the BONUSPINS starts you can select the combination of the number of bonuspins and Wild Symbols – the more bonus symbols you collect the bigger the rewards. With 5 bonus symbols you claim up to 45 BONUSPINS with 5 moving Wild symbols.

How does the Cycle feature work in this game? If an Emerald symbol lands on any position, it turns into a golden frame. On the 12th spin all collected golden frames turn into Wild symbols. The fun continues and the cycle then starts new.

Dive into the alluring ancient civilization filled with captivating symbols and rewards!
