

WINFALL IN PARADISE

A trade wind blows across a tropical island welcoming you to paradise, but a storm is coming. Once every 100 years, the Volcano erupts, the Tidal Waves crash, and the Hurricane Winds blow everything away, but those who remain are blessed with incredible riches. Watch the Lava build, as the odds for the Feature Wheel increase. When the Feature Wheel spins, nature answers and brings fortune with it: The Win-It-Again Volcano erupts to award a repeat of your highest win. The Wild Wave crashes onto the reels bringing 2 to 20 WILDs. The Hurricane Wind blows lesser value symbols off the screen, upgrading everything in its path. All three of these amazing features can be triggered together in the Increasing Win Free Spins where any higher award becomes the next spin's guaranteed win!
