

DYNAMITE FRUITS

Get ready for an explosion of fruits in Dynamite Fruits, a classic 5x4-reel slot with 40 paylines in which fruits burst into flames when a win occurs. To win, players must match symbols on the paylines.

The WILD symbol substitutes all symbols except SCATTERS. SCATTER wins are awarded for symbols appearing on any position on the reels, and SCATTER wins are added to line wins.

This slot includes a GAMBLE FEATURE that can be activated in any win via the gamble button, with the possibility of selecting a RED or BLACK button to double the bet. Winnings can be gambled up to five (5) times.
