## GAME DESIGN

### Game Theme and Graphics

Enter the wonderful Asian scene and try to collect as many Coin symbols as you can. With a little luck the Grand Jackpot can be yours!

### Main Game

Power Prizes™ - Eternal Mandarin Ducks™ is played on 5 reels, each 3 rows in height, with 243 ways always in play. Winning combinations run from the left to right, starting with the leftmost reel, except Scatter symbols.

## Free Spins

3 or more scattered Lotus symbols trigger the Free Spins. 8, 16, or 24 free spins are initially awarded, depending on the number of Lotus symbols that triggered the feature. Do you enter the Free Spins? Now your chance for wins is bigger, because all royal symbols are removed!

Feature Hit Rate: Approx 120-130 games.

## Power Prizes™ Feature

Do you want to win one of the great Jackpots? If so you have to collect 6 or more Coin symbols in the main game. If you manage to collect them, you will enter the Power Prizes™ Feature. The number of bonus spins in the Power Prizes™ Feature is dependent on the number of triggering Coins. The feature will lock down all your collected Coin symbols and will check for any new Coin symbols appearing during the feature. No remaining spins and not all positions are filled? There is still a chance that 1-3 extra spins may be awarded. Extra spins are only awarded once per bonus feature. Have you received a Coin symbol containing Jackpot title? Congratulations! This Jackpot is yours! If you are the ONE and the coins fill up the screen, all your wins are doubled except the Grand Jackpot! Power Prizes™ Feature ends when either no spins remain or all positions have been filled.

Feature Hit Rate: Approx. 110-130 games.

## Red Envelope Feature

Red Envelope scattered on reel 3 triggers the feature. In the feature the Red Envelope adds 1 to 4 Coin symbols to existing symbol positions on the reels. Coin symbols will replace the initial symbol that resided at the selected position. The Red Envelope will also change to a Coin symbol.

## Rules

- All prizes are for combinations of a kind.
- All prizes are for combinations left to right.
- All combinations start at the leftmost reel.
- All combinations are on adjacent reels.
- Highest win only paid per combination on screen.
- Free Spins are played with trigger bet.
- Free Spins can be won again during free spins.
- 6 or more Coins on any positions trigger the Power Prizes™ Feature, which may result in winning all of the Jackpots.

## Gamble

The gamble option is disabled by default. When offered, it is limited to the max possible gamble amount defined by the operator.

## PAYTABLE

| SYMBOL | PICTURE | 5x | 4x | 3x | 2x | SCATTER | SPECIAL FUNCTION |
|--------|---------|----|----|----|----|---------|------------------|
