

CLOVER COIN

LOCK & CASH

WILD

WILD symbol appears on the reels either as a single symbol or in stacks of 2 or 3 and substitute for all symbols except Clover Coin symbol.

To activate the Lock&Cash bonus feature, you need to land 6 or more Clover Coins, which awards you 3 respins. Every time Coin symbol become locked, you get refilled with another 3 respins. It proceeds to respin until spins are over, or all 15 position are filled with Coins, which rewards player with GRAND jackpot.
