## SLUGGER TIME

Step into the urban subway station on Slugger St., deep below ground, where violent masked street gangs are wreaking havoc under the streets of the big city.

Expect punches, chaos, and anarchy, all packaged in a slick graphic book-style with a touch of dark humour. Slightly sinister but also amusing, anything can happen in this dystopian noir satire. Like when you land a Wild, the sewer lid pops open and a masked jock with a baseball bat jumps out to reveal your Multiplier number.

We've used proven game mechanics from our hit games Eastern Emeralds and Cabin Crashers, including the Sticky Wilds in the Free Spins Bonus and the random pick option in the Free Spins Picker, creating a completely new game with popular features we know our players love together with a fun and fresh theme.

Slugger Time is an extremely entertaining 3x5 slot with 20 lines, high volatility, a Wilds Multiplier (Wilds always multiply by 2x, 3x, 4x, or 5x), a chance to win up to 22,000x bet, plus a Free Spins Bonus Picker that lets you choose your own volatility – or leave it up to chance!

Cabin Crashers is a super-fun 3x5 slot with 20 lines, boasting high volatility, Multiplier Wilds, a Free Spins Bonus that lets you pick your own volatility, a Buy Feature (pay to get instant entry to the Free Spins Bonus).
