---

## Game description

BF Games is serving nothing less than the juiciest and hottest titles and Burning Slots 20 is no different! With a prestigious pot of gold on the line, unleash all your Irish luck on the reels and scavenge for a set of Lucky Horseshoe Scatters, Four-Leaf Clover Wilds and Gold Pot Bonuses.

## Marketing description

Following the success of the fan-favourite Burning Slots™ game, the heat has only been getting hotter! The new Burning Slots 20 slot is keeping the flame alive with a 3-row and 5-reel setup, with 20 scorching ways to keep the rewards flowing in — 4x more than its predecessor.

Take it to the reels and spice up your gameplay with the help of ultra fiery features. Slice and dice your favourite fruity treats with the help of Lucky Horseshoe Scatters, that can appear on the first, third and fifth reels, forming a winning combination. You could also come across Four-Leaf Clover Wilds on the second, third and fourth reels that substitute for all other symbols except Scatter and Bonus symbols. Landing three or more Pot Of Gold Bonus Symbols, which can appear anywhere throughout your fortune-filled journey, will trigger a flavoursome surprise!

Offering an exciting hybrid between modern and traditional video slots alongside a refreshing illustration of all-time classic fruit symbols with an Irish twist, Burning Slots 20 is the perfect game for any type of player to take a bite into!
