

# MYSTICAL FOREST®

Mystical Forest is a 30 line Video Slot that puts you in a hidden mystery forest full of rewards! This game offers a unique Feature where the goal is to collect as many symbols under the frames as possible. Each time a symbol collection meter is filled, the Win multiplier that multiplies all Free Spin wins will increase by 1 with no maximum limit.

Free Spins Feature boosting collection frames: Every time a Scatter symbol lands inside the frame it will power up its collecting abilities, so instead of one symbol, multiple will be collected.

## **COLLECTIONS**

During Free Spins, frames will grow to replace Scatters that triggered the Free Spins. During each Free Spin, all symbols that land inside frames will be collected. Once 5 symbols are collected, the game pays 5 of a Kind as per the payable for that specific symbol and increases the Win multiplier.

## **WIN MULTIPLIER**

The Win multiplier starts at x1 in the Free Spins and will increase every time the collection maxes out. The Multiplier is applied to all wins: line wins and collection wins.

## **BOOSTED FRAMES**

Whenever a Scatter lands inside the Frame during Free spins, it will boost the Frame and increase its power of collecting. Instead of one symbol, multiple symbols will be collected inside boosted Frames.
