Time Spinners

Game ID: 1181/1182/1183/1184

GAME DESCRIPTION

Experience the ephemeral nature of time and magic in Time Spinners! This game is a 5x4 slot with payline wins and a max win of 10,000x!

FEATURES

WILD MULTIPLIER

The *Pocket Watch symbol* is a wild multiplier that reveals a multiplier value after it lands, if it's part of a win. The revealed multiplier can be 2x - 12x. The multiplier value applies to any winline that it is part of. If more than one multiplier is part of the same winline, the multiplier values are added together before being applied to the win. Up to a maximum of 10 wild multipliers can land in the base game and a maximum 15 can land in the bonus game.

SYNC YOUR WATCHES

When the *Sync symbol* lands, all wild multipliers are synced to the highest multiplier value currently on the grid.

SPECIAL SYMBOLS

The *Wild symbol* and activated *Pocket Watch symbols* substitute for all High and Low paying symbols.

FEATURES cont.

BORROWED TIME

A two-phase bonus game with sticky Pocket Watches! Land 3 Ghost symbols to trigger the bonus!

Collect Phase

The collect phase contains the special *Pocket Watch*, *Sync* and *Echo* symbols, and non-winning symbols. The collect phase starts with 3 free spins. Every time a special symbol lands and is activated, the remaining number of free spins refills to 3. After 3 spins in a row without a special symbol, the feature transitions to the payout phase.

These symbols are non-winning:

When an *Echo* symbol lands, it increases the value on all adjacent wild multipliers by the revealed value. The Echo symbol comes in two variants: the *Normal Echo* and the *Epic Echo*.

The Normal Echo adds the shown value to all adjacent wild multipliers. The Epic Echo multiplies all adjacent wild multipliers by the shown value.

The Normal Echo can have the following multiplier values: 1x, 2x, 3x, 4x, 5x, 10x.

The Epic Echo can have the following multiplier values: x2, x3, x4, x5.

Payout Phase

All sticky Pocket Watches carry over from the collect phase. During this phase, Low and High paying symbols, and the Wild symbol, can land.

The payout phase always awards at least 3 free spins. For each spin refill that occurred in the collect phase, the payout phase awards 1 additional free spin.

FEATURESPINS™

For the cost of 2x the current bet level, FeatureSpins™ make winning the bonus game 3 times as likely on every spin while active!
