# CLASH OF THE SERAPHIM

A biblical battle between the forces of good and evil rages on unseen around us…

Since the War in Heaven the seven Seraphim and their armies have been battling Lucifer's fallen legions for control of creation.

It's time to settle the conflict, and you're taking control, in Clash of Seraphim.

Dark and Light Seraphim can both trigger big wins when appearing within the aura field.

When the eye of Seraphim symbol lands in the Eternal Gate area it triggers an epic battle bonus round in which you can choose between Light and Dark volatility.

A truly epic story, an exceptional soundtrack and incredibly compelling gameplay awaits, whichever side you're on.
