## GAME DESCRIPTION

Ladies and gentlemen, welcome to the show! Let us introduce you to the three Dorks: Tiny Timmy, Hefty Hector and Long Lenny! This game has two exciting bonus features, one with sticky wild multipliers and one with wild multiplier reels with varying multipliers. Win up to 10,000 times your bet!

## FEATURES

### GIFT BOXES

Gift Boxes are wild multipliers. All winlines that a Gift Box is part of will be multiplied with the multiplier value. If more than one Gift Box is part of the same winline, their multipliers are first added together and then applied to the win. There are three different kinds of Gift Boxes with different multipliers:

The Common Gift Box can have the values: Wild, 2x, 3x, 4x

The Rare Gift Box can have the values: 5x, 10x, 15x, 20x

The Epic Gift Box can have the values: 25x, 50x, 75x, 100x, 150x, 200x

If you land 3 Gift Boxes, the Gift Bonanza bonus game is activated. The placement and the value of the triggering Gift Boxes will remain the same once the feature starts.

### GIFT BONANZA

All landed Gift Boxes are sticky throughout the whole feature. The feature starts with 3 spins: land additional Gift Boxes to keep the feature going. 3 spins in a row without any new Gift Boxes ends the feature.

### DORK SPINS

Landing 3 Lenny symbols in the base game activates the Dork Spins bonus game.

In the bonus game, the Lenny symbol can land on reels 2, 3 and 4. When the Lenny symbol lands, it expands into a wild Dork Reel that is sticky throughout the whole feature.

One of the Dorks will appear on each Dork Reel on every new spin and reveal a multiplier value. All connecting winlines are multiplied by the shown value. If a winline connects to more than one Dork Reel, the multipliers are added together before being applied to the win.

Tiny Timmy can have these values: 2x, 3x, 4x

Hefty Hector can have these values: 5x, 10x, 15x, 20x

Long Lenny can have these values: 25x, 50x, 75x, 100x, 150x, 200x

### SPECIAL SYMBOLS

Gift Box symbols substitute for all paying symbols in the paytable.

Gift Box symbols do not appear in the Dork Spins bonus feature.

The Lenny symbol does not appear in the Gift Bonanza feature.
