## INTRODUCTION

Agent Jane Blonde invites you on her latest assignment, proudly brought to you by Stormcraft Studios! The game follows in the footsteps of the popular Agent Jane Blonde released in 2008, and Agent Jane Blonde Returns in 2019.

This game is based on their successful Fire Forge engine, made popular by the infinitely re-triggered Free Spins, increasing Multiplier Trail and Fixed Jackpots.

Jane's now famous face fills the screen as the Scatter symbol. Land Scatters on all 5 reels to trigger the Free Spins selection where players can choose from 3 Free Spin features, with varying volatility. The chance to win one of the 3 Fixed Jackpots is achieved by collecting 5 or more Scatters. To make things even more exciting, the Multiplier Trail can reach an impressive 100x bet and will also multiply the Fixed Jackpot prizes, if won during 1 of the 3 Free Spins features!

Rolling Reels™ and Stacked Wilds finishes off this entertaining gaming experience, where Jane is set to captivate her audience with action and intrigue that will have the player's coming back for more!
