

Super Heated Sevens is a classic 5x3 reel slot with 20 paylines that burst into flames when a win occurs. To win, players must match symbols on the paylines.

The WILD symbol substitutes all symbols except SCATTERS. SCATTER wins are awarded when symbols appear randomly on any position on the reels and are added to line wins.

This slot includes a GAMBLE FEATURE that can be activated in any win via the gamble button, with the possibility of selecting a RED or BLACK button to double the bet. Winnings can be gambled up to five (5) times.
