Symbol Details

WILD

The **WILD** symbol in the game is the diamond symbol. The **WILD** symbol appears on reels 2-6 and extra reel.

WILD symbols substitute for any other symbol, except for the **SCATTER** symbol, to form the best possible winning combination.

The **WILD** symbols can multiply wins only during the **Free Games** feature.

In a winning **Free Games** spin, if more than 1 **WILD** symbol forms a win, the multiplier values are added up and not multiplied by each other (e.g. 2+3=5 and not 2×3=6).

SCATTER

The **Free Games** symbol is the **SCATTER** symbol in the game. 4 to 6 **SCATTER** symbols appearing anywhere simultaneously on the reels trigger the **Blitz Free Games**, **Thunder Free Games**, **Buffalo Free Games** and **Mystery Free Games** features.

If 3 or more **SCATTER** symbols appear anywhere simultaneously on the reels during the **Free Games** feature, extra free games are awarded.

More information on the **Free Games** feature can be found below.

Game Features

Free Games

Whenever 4 to 6 **SCATTER** symbols land anywhere on the reels during the main game, the Free Games feature is triggered and a picking panel appears.

The more **SCATTER** symbols that trigger the Free Games feature, the more free games you win.

There are 4 types of Free Games modes:

- **Blitz Free Games** awards 10, 15 or 20 free games. In this mode, **WILD** symbol can multiply wins by x2, x3, or x5.
- **Thunder Free Games** awards 8, 12 or 16 free games. In this mode, **WILD** symbol can multiply wins by x3, x4, or x6.
- **Buffalo Free Games** awards 6, 9 or 12 free games. In this mode, **WILD** symbol can multiply wins by x4, x5, or x10.
- **Mystery Free Games** awards a random combination of Free Games and a win multiplier from the other Free Games modes.

Additional Free Games can be awarded when 3 or more **SCATTER** symbols land anywhere on the reels during the Free Games feature:

- 3 **SCATTER** symbols trigger 5, 4 or 3 additional Free Games depending on the Free Games type.
- 4 **SCATTER** symbols trigger 10, 8 or 6 additional Free Games depending on the Free Games type.
- 5 **SCATTER** symbols trigger 15, 12, or 9 additional Free Games depending on the Free Games type.
- 6 **SCATTER** symbols trigger 20, 16, or 12 additional Free Games depending on the Free Games type.

The maximum number of Free Games you can trigger and retrigger is 1000.

MEGAWAYS™

The game is played with variable ways to win.

Reels 1 and 6 have from 2 to 7 symbols. Reels 2-5 have from 2 to 6 symbols.

Extra Reel always has 4 Symbols and is positioned above reels 2, 3, 4, and 5 making these reels potentially up to 7 symbols. Unlike the other Reels, extra Reel spins from right to left.

Depending on the number of symbols appearing, each spin can have between 324 and 117,649 ways to win, counting the top four symbols.

Jackpot Blitz™

Jackpot Blitz™ is a multi-level progressive jackpot. It is accumulated from all players' bets in all games which feature the **Jackpot Blitz™**, among all online casinos that offer these games.

There are 4 levels of jackpots that can be won: **Blitz, Major, Minor** and **Mini**.

The different types of jackpots hold different prize amounts.

Seed (how much money the Jackpot starts out with):

- Blitz: €100,000.
- Major: €5,000.
- Minor: €500.
- Mini: €50.
