## GAME DESIGN

### Game Theme and Graphics

Not one, but 2 amazing videoslots full of mysterious symbols on one screen! Yes, this is Twin Spinner Book of Ra™ deluxe. Which one will win more? Try your luck in this wonderful game and reveal the hallway to your treasure chambers.

### Main Game

Twin Spinner Book of Ra™ deluxe is played on 2 reel sets. Each reel set has 5 reels and 3 rows, with 10 win lines always in play. Your aim is to land 5 Explorer symbols on a win line, which will award you an immediate win of 500x the bet on one reel set. You can divide the bet between the left and right reel sets. All winning combinations run from left to right on a win line, except Scatter symbols.

### Free Spins

3 or more scattered 'Book of Ra' symbols on one reel set? Good job! You won 10 Free Spins with one symbol as the 'Special Expanding Symbol'. This symbol is randomly selected at the start of the Free Spins. If enough 'Special Expanding Symbols' for a win are present, this symbol expands to cover 3 positions on the reel and pays for all lines. The Free Spins can be retriggered. Are you lucky? Do you have 3 or more 'Book of Ra' symbols on both reel sets? You just won 2 sets of Free Spins.

### Bet Balancer

Left or right? Which side do you prefer? With the Bet balancer you can divide your bet to the left and right reel set. Your preferences could be influenced by the win meters which show you a distribution of cumulative wins on the left and right reel sets during the last 50 rounds.

### Rules

'Book of Ra' symbol substitutes for all symbols except scattered 'Special Expanding Symbol'.

All pays are for combinations left to right, except Scatters.

All wins on selected lines, except Scatters.

Scatters pay in any position.

Only the highest win per selected line is paid.

Line wins are multiplied by credits bet per line on the specific reel set.

Scatter wins are added to line wins.

### Gamble Feature

The Gamble option is disabled by default. When offered, it is limited to the max possible gamble amount defined by the operator. Gamble is not offered during Free Spins.
