### A DREAM OF A SEQUEL!

---

Since its epic release in 2020, Snake Arena has proven to be a solid fan-favourite and has grown from strength-to-strength. With its unique Free Spins round and comical battle between hardened knights and life-size-human-devouring-snakes, all the payouts shall remain the same in the game, taking nothing away from the player experience. However, this time around, if you manage to land 5 DREAM DROP symbols in the Jackpot Spin you will enter the Dream Drop Bonus. Here, a giant wheel listing 5 different jackpots will appear on display, setting you up with the chance to win a life-changing amount of money.

Will you be brave enough to take the battle back to the beast?

## WIN PROBABILITIES

## FEATURES

### FREE SPINS

The Free Spins feature is triggered by landing the snake head and the knight. Before a new spin, the snake moves towards the knight symbol. If the snake reaches the knight it consumes it, resulting in the snake growing in length and a new spin will start. If the snake body is in the way, the snake will crash and the Free Spins feature will end. If the snake fills up all positions on reel 2-5, the Free Spins feature ends and an additional prize of 1000x the stake will be awarded.

### WILD

The Wild Chase feature triggers randomly with 1-5 of the reels becoming wild if the snake and knights meet on the same reel.

## DREAM DROP

### JACKPOT ENTRY SPIN

When triggered, the Jackpot Spin is played as an additional spin before the normal spin, with only no-value symbols and DD symbols on the reels. The Dream Drop Bonus is triggered when landing 5 DD symbols in the randomly triggered Jackpot Spin.

### DREAM DROP BONUS

There are 5 jackpots that can be won: RAPID, MIDI, MAXI, MAJOR or MEGA. In the Dream Drop Bonus you get one spin of the wheel. When the wheel stops it will mark which jackpot has been won.
