

CRAZY SUPER 7S

A simple 5-line slot with a very classic feel

In this simple slot game with a nostalgic old-school design, the player can enjoy a very straightforward game play with just 8 symbols and no distractions. With no wins below your stake, you can win 1000x your stake with the crazy five of a kind line!

Every winning spin activates the gamble feature, where guessing correctly the color or the suit of a card will double or quadruple the player's win.
