#### About Red Tiger Jackpots

Like all Red Tiger slots, Shadow Society may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.67% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.67%. The RTP of the jackpot contribution itself is 100%.

## FEATURES IN THE GAME

### TREASURE BOX

Treasure Boxes do not add to win lines but may mean Instant Cash wins or entry to the Free Spins round. They can land anywhere on the reels. If 2 boxes show up, you will get an instant payout of the combined values they hold. They may have 2x-20x of your original wager's value. Some 3 or more Treasure Box Scatters will trigger the free spins round: Hold & Respin.

### HOLD AND RESPIN

Landing 3, 4, or 5 Treasure Box Scatters anywhere on the reels will award you 3, 4, or 5 Free Spins, respectively. The Treasure Boxes that triggered the Bonus Round will be locked into place, revealing random Multipliers.

Treasure Boxes will spin on the reels individually in each position during the Hold & Respin Bonus Round. Every Treasure Box that lands on an empty spot reveals a Multiplier and resets the Respin counter. If a Treasure Box lands on another one, it will double the Multiplier and leave the Respin counter alone.

If no new Treasure Boxes land on an empty spot for the period of the RESPINS provided at the start of the round, the HOLD & RESPIN bonus round ends. If a prize occupies all spots on the reels, all remaining RESPINS will be played to see if any boxes land to double a prize.

# SYMBOLS

The Wild Symbol is represented by a luxurious crown with velvet inlays. Wilds substitute all paying symbols to complete win lines to pay out for the longest winning combination.

The low-paying symbols in Stolen Treasures showcase the four playing card suits, transformed into precious rock carvings, boasting the elaborate handwork of a professional craftsman. The high-paying symbols are the riches you are after at Stolen Treasures: rare golden coins in velvet cases, gemstone signet rings, rhinestone-studded necklaces, Fabergé eggs and regal gold drinking cups.
