Re-Trigger Happy Deluxe

Game summary

- 5 reel 10 line slot.
- This game will be delivered as a full page HTML5 game across mobile, tablet and desktop.
- This game offers a jackpot of x5,000 starting stake (capped once reached).
- The bonus round is triggered when 3, 4 or 5 Silver Sheriff Badges appear anywhere in view (Scatter)
- During the bonus round, a different set of reels are used which contain additional Scatter symbols enabling the feature to be re-triggered more easily.
- The feature can re-trigger over and over again with no limit to the number of spins that can be won.
- During the free spin round, all wins are multiplied by x3.
- Bonus Buy Feature is available on this game where permitted.
- Re-Trigger Happy Deluxe RTP is confirmed at 96.24%.

6 Appeal Extreme

*This is an early image and will be subject to change

Game summary

- 6 Appeal Extreme is a 5 reel 20 win line slot based on the successful original version of 6 Appeal Deluxe.
- This game will be delivered as a full page HTML5 game across mobile, tablet and desktop.
- The game offers a jackpot of x6,666 starting stake (capped once reached).
- Blue Dice will appear on reels 1, 3 and 5.
- Red Dice will appear on reels 2 and 4.
- Any combination of any 3 or more dice will trigger the free spins feature.
- Blue dice multiply each other to give the number of free spins (6x6x6) and red dice add together to give the multiplier (6+6).
- Free spins can be re-triggered and additional multipliers/free spins will be added to the triggering spins/multiplier.
- Bonus Buy Feature is available on this game where permitted.
- 6 Appeal Extreme RTP is confirmed at 96.33%.

Mice 'n' Easy

*This is an early image and will be subject to change

Game summary

- Mice 'n' Easy is a 3 reel 1 win line slot.
- This game will be delivered as a full page HTML5 game across mobile, tablet and desktop.
- This game offers a jackpot of x300 starting stake.
- Any 3 Mice on the win line will start the win spin feature.
- During the win spin feature, all reels will spin and light the relevant symbols as they land.
- Completing a 3 of a kind win will award that payout.
- The feature will continue at random until it stops.
- The game also offers nudges and win after losing nudges.
- Each win can also randomly hold for up to 9 times.
- Mice 'n' Easy RTP is confirmed at 95.64%.

Adding Bonus Buy Feature to Existing Games

Overview

- The following existing games within our portfolio will have the Bonus Buy Option fitted to them:
 - Game Changer
 - Hot Cross Bunnies Game Changer
 - Bar-X Game Changer
 - Super Bar-X Game Changer
 - Fireworks Game Changer
 - Super Graphics Game Changer
 - 6 Appeal Deluxe
- The games will automatically be updated on the dates provided.
- The updates will only appear in jurisdictions where the Bonus Buy Feature is permitted.
- The game will have a **NEW Games Register Code** which will need to be updated on the operator side.

Other information

Supported devices and operating systems

All of the games scheduled for release in Q2 2021 and detailed in this document will be available on desktop, iPhones, iPods, iPads, Android phones and Android tablets. For mobile devices, it will be supported on version 8 and above of iOS and version 5 and above of Android. On desktop devices it will be supported in Chrome, Firefox and Microsoft Edge – the latest 2 versions of each.

Staking structures

Staking structures for these games will be aligned with current content with the same jackpot multipliers.
