GAMEPLAY IN BRIEF

BASICS

Live Football Roulette is a Single Zero Roulette which can be played European or French style. The French Roulette style comprises the *La Partage* rule. Players can place the usual inside and outside bets.

GOAL BET

Place your bet on the Goal bet position to cover five Neighbours in a row. These Neighbours positions are selected at random each round and represented as football shirts on the betting map.

The possible Multiplier is shown, ranging from x3 to x100. If the result is one of the selected Neighbours, you multiply your winnings!

STATSCORE

The touchscreen operated by the Live dealer shows live football visualisations, league tables, player stats and more from the best leagues in the world.

WINNERS BOARD

The top 10 Goal bet winners are listed on the special winners board next to the dealer.

UI SPECIAL FEATURES

The Live Football Roulette UI includes the following features:

Bet Creator – players can compose custom bets at any moment and without time limitation.

Lucky Dip – every tap places chips randomly on as many Straight Up positions as indicated on the button.

Betting from Statistics Panel – use the Results, Statistics & Chart panel to place bets during betting time.

My Bets – save and name favourite bets for use on other Roulette tables if table limits are met.

Autoplay – set loss and single win limits and autoplay up to 99 games. Autoplay can be stopped at any time.

Golden Chips – available on this table.
