

BONANZA WHEEL

Evoplay invites your players to try their luck in its latest release, Bonanza Wheel - a true gold mine for traditional casino lovers!

Two hosts, the charming Anastasia and her assistant Orland, will assist players through the sectors of the wheel that are filled with exciting multipliers that will increase the player's bet and their total win.

However, their ultimate mission is to help players reach the most desirable sector with a valuable scratch card that will lead them to a Bonus game, where all symbols are winning!

Here, collecting three or more Jackpot symbols will grant players a 300x jackpot!

Now, let's spin the Bonanza Wheel and see what multipliers and jackpots await us!

Game Features

BONUS GAME

Finding a scratch card on the wheel transfers players to the Bonus games, where players are challenged with collecting 3 or more Jackpot symbols to multiply their winnings. All symbols are winning. If high and low paying symbols are collected, only the biggest multiplier is paid.
