

CARIBBEAN BLACKJACK™

FELT
EST 2013

The ultimate card game for any player who loves blackjack and Caribbean Stud Poker.

DETAILS

Caribbean Blackjack combines two of the best casino games into one; blackjack and Caribbean Stud Poker, with a progressive jackpot!

Caribbean Blackjack is played with a single deck of 52 cards and based on the standard blackjack game. The player plays 2 hands of blackjack with an addition of an exciting mandatory side bet, which pays up to 250-1.

The optional progressive JACKPOT bet provides an even more significant prize opportunity enhancing the level of fun and excitement.

The side bets pays are based on the player's original 2 cards from each blackjack hand (4 cards) and the dealer's face up-card to make a 5-card poker hand.

BUTTONS

In Game

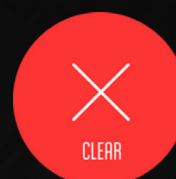

This game has a special **BET ALL** button that places a bet on all betting positions on the table.

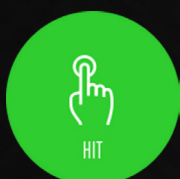

Once you have placed your bets you confirm your bet by pressing the **DEAL** button.

At any stage when placing bets you can press the **UNDO** button to remove the last bet you placed.

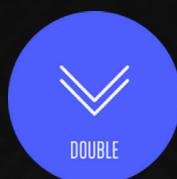

Press **CLEAR** to remove all chips from the table.

If you choose to **HIT** you will receive one additional card to add to the total value of your hand.

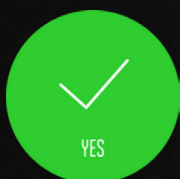

If you choose to **STAND** then no additional cards are dealt and you move onto the next hand.

If your first two cards have a combined total value of 9, 10 or 11 then you can **DOUBLE DOWN**.

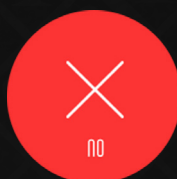

If your first two cards are of the same value you can **SPLIT** them into two hands.

If the dealers face up card is an Ace the player will be offered the option to make an **INSURANCE** bet.

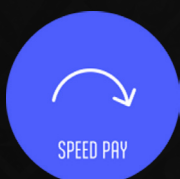

An **INSURANCE** bet of equal to 50% of your original blackjack bet will be placed on all active hands.

The **INSURANCE** bet will be dismissed for the active hand and move onto your next hand/s.

The **INSURANCE** bet will be dismissed for all of your hands. Dealer will then check for Blackjack.

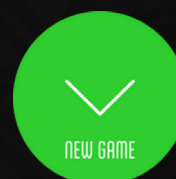

This will immediately pay you any **WINNINGS** and take you straight to the main part of the game.

This button **REBETS** the same amount bet in the last game.

This button **REBETS** double the amount bet on the last game.

This button starts a **NEW GAME** with no bets in place.
