## Game Features

### Resurrection Wilds

You need 3 Dead Wilds to activate and transform them into Resurrection Wild Symbols. The last Wild symbol to land will also count as a hefty multiplier.

### Goblin Sacrifice

Match the goblin on top of the reels with the symbol on the reel beneath that same goblin to trigger a Goblin Sacrifice. get a match for a grenade to be thrown as a sacrifice, turning him into a Wild symbol.

### xBomb

The inevitable explosion removes all symbols except Scatter symbols, Dead Wilds and Resurrection Wilds whilst also increasing the win multiplier with +1. Every time an xBomb symbol appears, one row will be added after the explosion, can go up to 7 rows.

### Evil 4

Evil 4 feature is triggered when all goblins at the top of the reels are matched. The throned goblin will be sitting on reel 1, where a multiplier of x4 or higher is boosted. The symbols are counted as 4 of each, multipliers will increase by 1 each time a matching goblin appears on the top reel.

### Fresh Meat Spins

8 spins will provide you with Dead Wilds on each spin, and a high chance of getting a Goblin Sacrifice along with an xBomb to trigger. An upgrade to Goblin Feast Spins is earned by triggering the Evil 4 feature.

### Goblins Feast Spins

4 spins with the Evil 4 multiplier activated. Each matching goblin will stay in its position with the rest of the bonus round, whilst the multiplier will increase +1. Any new matching goblins will turn into a skeleton and stay for the remainder of the feature, all the while still turning matching symbols into Wilds. Explosive Goblins Feast Spins has an upgrade of an xBomb on every new spin.

### All Hail the King

Max payout of the game is set to 31.969x times the base bet. Trigger this, and the game round will end.

### Nolimit Bonus - Feature Buy Functionality

Buy your way straight into one of the different bonus features, ranging from 60x to 666x the base bet.

\* The Nolimit Bonus feature may however be removed in some regulated markets.
