

RACING WILD

Bright street racing slot with 3 types of Wilds and Free Spins with re-trigger

Feel the speed with our Wild Girls, racing through the metropolitan streets for awesome reel features and Free Spins with re-trigger. Three types of Wilds race across the screen. They land as 3x Big Stacked Wilds, each bringing a +1 win multiplier for as long as showing on the reels.

The Green Wild nudges one reel to the left on each consecutive spin until it disappears. The Blue Wild locks for 3 spins. Any existing Green Wilds lock together with it. If a new Green Wild lands with an active Blue Wild, it locks in place and restarts the locked spins counter. The Pink Wild unlocks any Blue or Green Wilds on the screen. When unlocked, the Blue Wild awards additional +3 Free Spins to the Free Spins counter. The Pink Wild awards 9 Free Spins. At the start of each Free Spin, the Pink Wild speeds away and lands again on a random free reel. During the Free Spins, any landed Green Wilds continue nudging and any landed Blue Wild starts chasing the Pink Wild to leave and reappear on a random reel after it.
