

PLAY'n GO

The image is a promotional poster for the game 'Sisters of the Sun'. It features three central characters: a lion-headed woman with a cobra on her head, flanked by two human women in Egyptian-style attire. The background shows pyramids and a sun. The title 'SISTERS OF THE SUN' is prominently displayed in a stylized font with wings. The 'PLAY'n GO' logo is at the top, and the release date is at the bottom.

SISTERS
OF THE
SUN

RELEASE DATE: 2ND SEPTEMBER.

SISTERS OF THE SUN

Sure, you've heard of Ra, Anubis, and Osiris. But, have you heard of the Sisters of the Sun?

The Sun God Ra has bestowed powerful gifts upon his descendants, the Egyptian goddesses Sekhmet, Hathor and Bastet. Each now with a unique gift can harness the power of the sun and cast light and fortune on the favoured. So, it's probably best to stay on their good side.

SEKHMET

She will select a random symbol type, which will transform all matching symbols into a different symbol.

HATHOR

Hathor will gift one to two Wilds which will be added randomly to the grid.

BASTET

She can remove two types of symbols from the grid.
