Fruit Duel

Game ID: 1197/1198/1199/1200

## GAME DESCRIPTION

Fruit Duel is a fruity slot packed with juicy duels where the entire reel transforms to a wild multiplier! It fits into our 3x3 Spins™ model, with a 3x3 grid, lower volatility and a max win of 3,333x! With our exciting DuelReels™ mechanic you never know what spin is going to suddenly hit a big win!

## FEATURES

### DUELREELS™

The DuelReels™ mechanic transforms the entire reel to a wild multiplier! Landing the *VS symbol* triggers an expanding reel with a duel between two fruits with multipliers.

The fruit that wins the duel will apply its multiplier to the whole reel. The whole reel becomes wild and the value of any connecting winlines is multiplied by the reel multiplier. If more than one wild reel is part of a winning combination, their multipliers will first be added together and then applied to the win.

The possible multipliers are: 2x, 3x, 4x, 5x, 10x, 15x, 20x, 25x, 50x, 75x, 100x

### FREE SPINS

Free spins with a better chance to land VS symbols! Free spins are activated by landing 3 *Free Spins symbols*!

When the feature begins 10 free spins are awarded. During free spins there is a better chance of landing VS symbols than in the base game and you are more likely to get higher multiplier values in the duel!

### FEATURESPINS™

This game offers FeatureSpins™ for the option to buy into the special features for a set cost, in the jurisdictions where this is permitted. When FeatureSpins™ are activated the player is guaranteed that minimum 1 *VS symbol* lands on each spin! FeatureSpins™ remain active until deactivated.

### SPECIAL SYMBOLS

The Wild symbol substitutes for all other paying symbols in the paytable.

Expanded wild reels substitute for all paying symbols in the paytable. The Free Spins symbol does not appear during free spins.
