Variations (%)	95%
Return (%)	95.48%

## GAME DESIGN

	<h3>Game Theme and Graphics</h3> <p>Aim for the stars with Stars Inferno™.</p>
	<h3>Main Game</h3> <p>Stars Inferno™ is played on 5 reels and 10 win lines. Your aim is to land 5 identical symbols along a win line. In the regular game, winning combinations begin on the first reel on the left or right and run along a win line to the right or left. To win, the symbols must lie next to each other without any other symbols between them.</p>

### Free Respin

The 'Star' symbols may appear on reel 2, 3 and/or 4. A 'Star' appearing on any reel expands to cover all positions on this reel and holds this reel for one Free Spin of the other reels. 'Star' substitutes for all symbols on all positions of the reel.

### Jackpot Diamonds Feature

The Jackpot Diamonds Feature uses the four-level **Diamond Mystery™** Jackpot Feature. Each mystery level has specific gems.

The base win of each jackpot depends on your stake. The base win is 5,000 times your stake for the Diamond Jackpot, 1,250 times your stake for the Red Gem Jackpot, 200 times your stake for the Blue Gem Jackpot, and 50 times your stake for the Green Gem Jackpot.

Green Gem - 1<sup>st</sup> level (lowest jackpot value)

Blue Gem - 2<sup>nd</sup> level

Red Gem - 3<sup>rd</sup> level

Diamond - 4<sup>th</sup> and highest level

Once triggered, the player is taken to the Jackpot Cards game where he/she can pick one of 12 face-down cards. The player picks cards until 3 matching gem symbols have been revealed. The Jackpot **Diamond Mystery™** level corresponding to the revealed gem will be awarded.

### Rules

- 'Star' substitutes for all symbols on all positions of the reel.
- All prizes are for combinations left to right and right to left.
- All prizes are on selected lines.
- Highest prize only per pay direction.
- 5 of a kind prizes pay only once.
- Line wins are multiplied by credits bet per line.

## PAYTABLE

All prizes are shown in credits. All prizes are for one credit bet per line.
