How to play

- To play the game, the player simply sets the bet and clicks the spin button to spin the reels. If player manages to hit at least the minimum required amount of identical symbols on an active payline starting from the leftmost or the rightmost reel, he has won.
- The more symbols player manages to hit on an active payline, the better the payout will be. Only the highest win is paid for each active payline. The payout is explained in the game payable.
- Wild Symbol substitutes for all symbols.
