Money does grow on the Bao Tree™.

Jin Dynasty™ is the first slot in a new series to introduce the Bao Tree™ feature, where Wilds on reels could bear the tree's golden fruit: Mini, Minor, Major or Grand prizes.

Jin Dynasty includes a Remove Royals feature in Free Games where all Royal symbols disappear from the reels leaving only the big prizes to blossom.

Bao Tree™ feature

Land a Wild on reels 2,3 or 4 to trigger this Bonus Pick and Win game.

Four Bonus Prizes

Pick from the coins to match 3 symbols for Mini, Minor, Major and Grand Prizes.

Remove Royals

Trigger the Free Games feature and all A, K, Q, J, 10 and 9s will be removed from the reels.
