You have the chance to unlock the surprise of the Fan symbols - a special set of symbols that may land only on the topmost and bottom-most rows. More than one Fan symbol may land in the initial spin on each of those rows. #### About Red Tiger Jackpots

Like all Red Tiger slots, Risqué Megaways™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%.

## FEATURES IN THE GAME

### Fan Symbols

Fan symbols are special symbols that may land only on the topmost and bottom-most rows. Fan symbols may also appear after a cascade following a win, but again only on the topmost and bottom-most rows. More than one Fan symbol may land in the initial spin on each of those rows. When 2 Fan symbols align on the same reel vertically, they unfold on the whole reel and reveal either a random super symbol variation of a paying symbol or the Wild Super Symbol. The revealed symbol has a Ways multiplier from 4x to 9x. In the normal game the Fans will lock and reveal a random new symbol on each spin until they reveal a symbol that participates in a win. If the Fans reveal a Wild Super Symbol it stays on the reels until it participates in a win instead of being swapped on each spin. If more than one pair of Fan symbols are on the screen at the same time they, will all reveal the same type of symbols. In Free Spins the fans that have revealed a symbol will stay locked until the end of the bonus round and reveal a new symbol on each spin. Again, Wild Super Symbols will not be replaced by other symbols before they have participated in a win. Also in Free Spins, if the symbol revealed by the fans participates in a win way, the symbols are destroyed and the fans show a new symbol in the following cascade.

### Free Spins

3 Free Spins scatters anywhere on the reels award with 10 Free Spins. Free Spins scatters may also land during Free Spins, but only on reels 1 and 6. Each Free Spins scatter during the bonus round awards +1 Bonus spin. The Free Spins bonus round starts with a x1 Win Multiplier and each win increases it by +1 up to a maximum of x20. The multiplier is applied to all wins during the bonus round. The Win Multiplier does not reset for the duration of Free Spins. During Free Spins the Fans that have revealed a symbol do not leave the reels after the symbol revealed by them participates in a win way and instead stay locked until the end of the bonus round to reveal a new symbol on each spin. All symbols revealed by the Fans including the Wild Super Symbols leave the slot scene at the end of the bonus round regardless of whether they have participated in win way or not during the last Free Spin.
