ABOUT HARLEQUIN WINS

An evening in the palace that will bring lots of joy as you trigger the Racking Up Riches on a respin madness!

Example of desktop base game (Top left), Racking Up Riches - Bonus (Bottom left) and Mobile bonus game (right)

A straightforward game with 15 WYSIWYG symbols on a 3x5 matrix, that go up to 40 on the 8x5 bonus matrix. With WYSIWYG, symbols landing anywhere pay out the amount displayed. Get 3 paying symbols at once anywhere on the reels, **enter the bonus and get ready to meet our Harlequin!**

3 paying symbols start the **Racking Up Riches bonus**, High 5 Games very own unique tumbling mechanic, where paying symbols remain as non paying ones disappear. Every remaining symbol tumbles and new ones appear. As long as a new paying symbol appear, another respin is granted. **Not very lucky? Then get a one-more-chance feature! Multiplier symbols up to 10x** can appear during the bonus round, multiplying every symbol on that reel. **Your lucky evening might bring up a max. award of 10,000x your bet!**

FEATURES

WYSIWYG

Each symbol pays out the amount that it displays. Hence the name: **What you See Is What You get**. In the left example it would pay \$11, and would also initiate the Racking Up Riches feature (bonus). Anticipation effects keep the excitement up.

Racking up riches (Tumbling Bonus)

3 Paying symbols start the Racking Up Riches feature, where symbols rack up, while non paying disappear. Whenever a paying symbol appears, a respin is granted. Remaining and newcoming symbols tumble. When multipliers appear, they multiply all symbols in a column.

One More Chance (random)

A free respin might be granted after a spin with no new paying symbols (which would then end the bonus rounds), allowing the possibility for a continued winning streak.
