BUY FEATURE (KAMON BONUS)

Players can press the BUY button during the BASE GAME to buy the KAMON BONUS feature.

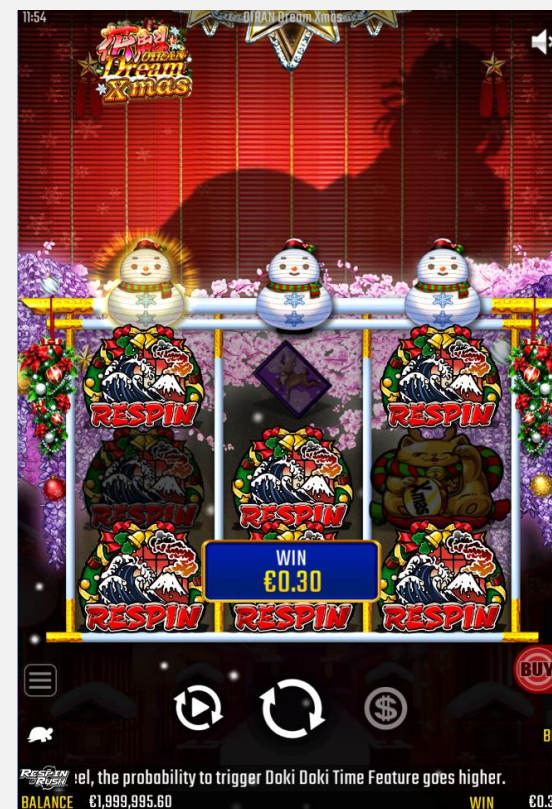

GAME RULES : BASE GAME

The base game features the beautiful main character from oiran dream with an Xmas-themed redesign.

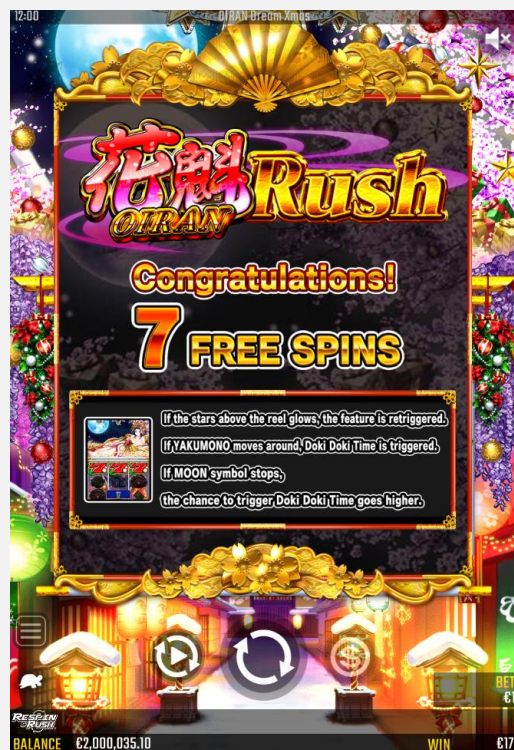

GAME FEATURE : RESPINS

The color of the screen changes each time three RESPIN symbols stop on a payline. The chance to trigger OIRAN RUSH goes higher following the order of color change from green to purple to red. If three RESPIN symbols stop on a payline consecutively three times, OIRAN RUSH or Doki Doki Time is triggered.

GAME FEATURE : OIRAN RUSH

Each Free Spin set is composed of 7 spins. A RED 7 win occurring on the last spin will trigger an additional set of 7 spins. If the MOON symbol stops on the reels, the chance of triggering Doki Doki Time will increase. A RAINBOW 7 occurring on the last spin will trigger Doki Doki Time and, afterward, OIRAN RUSH will be awarded.

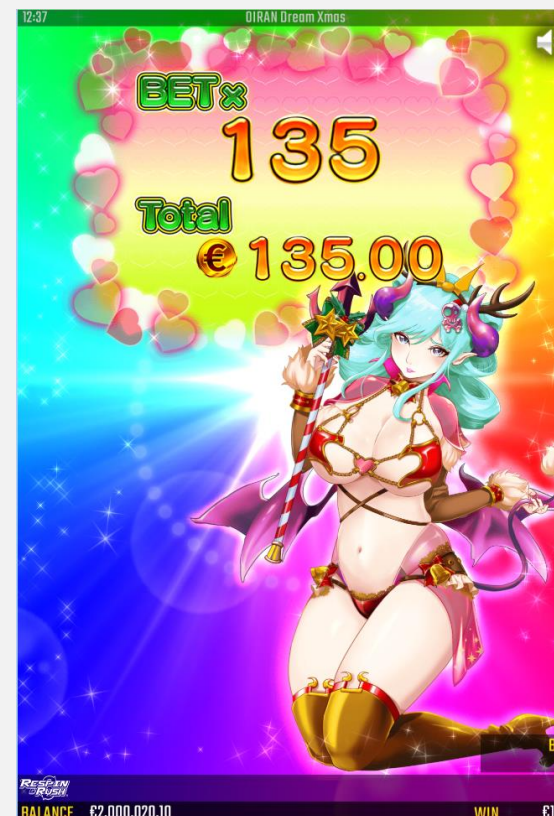

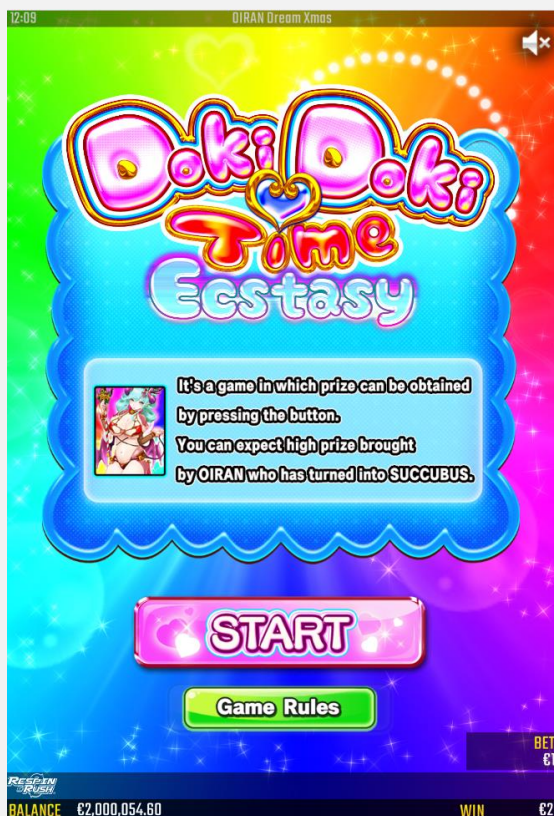

GAME FEATURE : DOKI DOKI TIME

Doki Doki Time is a bonus game where player taps on the screen to reveal the prize. The player can select two different play styles: Combo or Burst. A Level up may reveal higher prizes.

GAME FEATURE : DOKI DOKI TIME ECSTASY

Doki Doki Time Ecstasy is a premium version of Doki Doki Time bonus game. The character will appear dressed as a Succubus. Unlike Doki Doki Time, Doki Doki Time Ecstasy is composed of a single level, but the player can expect higher prizes than Doki Doki Time.

GAME FEATURE : KAMON BONUS

Kamon Bonus allows the player to challenge for prize or OIRAN RUSH or Doki Doki Time by rolling the dice. If the roulette stops on UP, it goes to a higher level. The game will continue until the roulette stops on COLLECT or the icon in the center.
